Directions

To create this craft students will need the pizza pieces and heart pepperonis. I have included a blackline that students can simply color and display. For option 1 students will need to add hearts. Option 2 and 3 create a book. I have included line and unlined versions. You will need to choose the one that works best for your class.

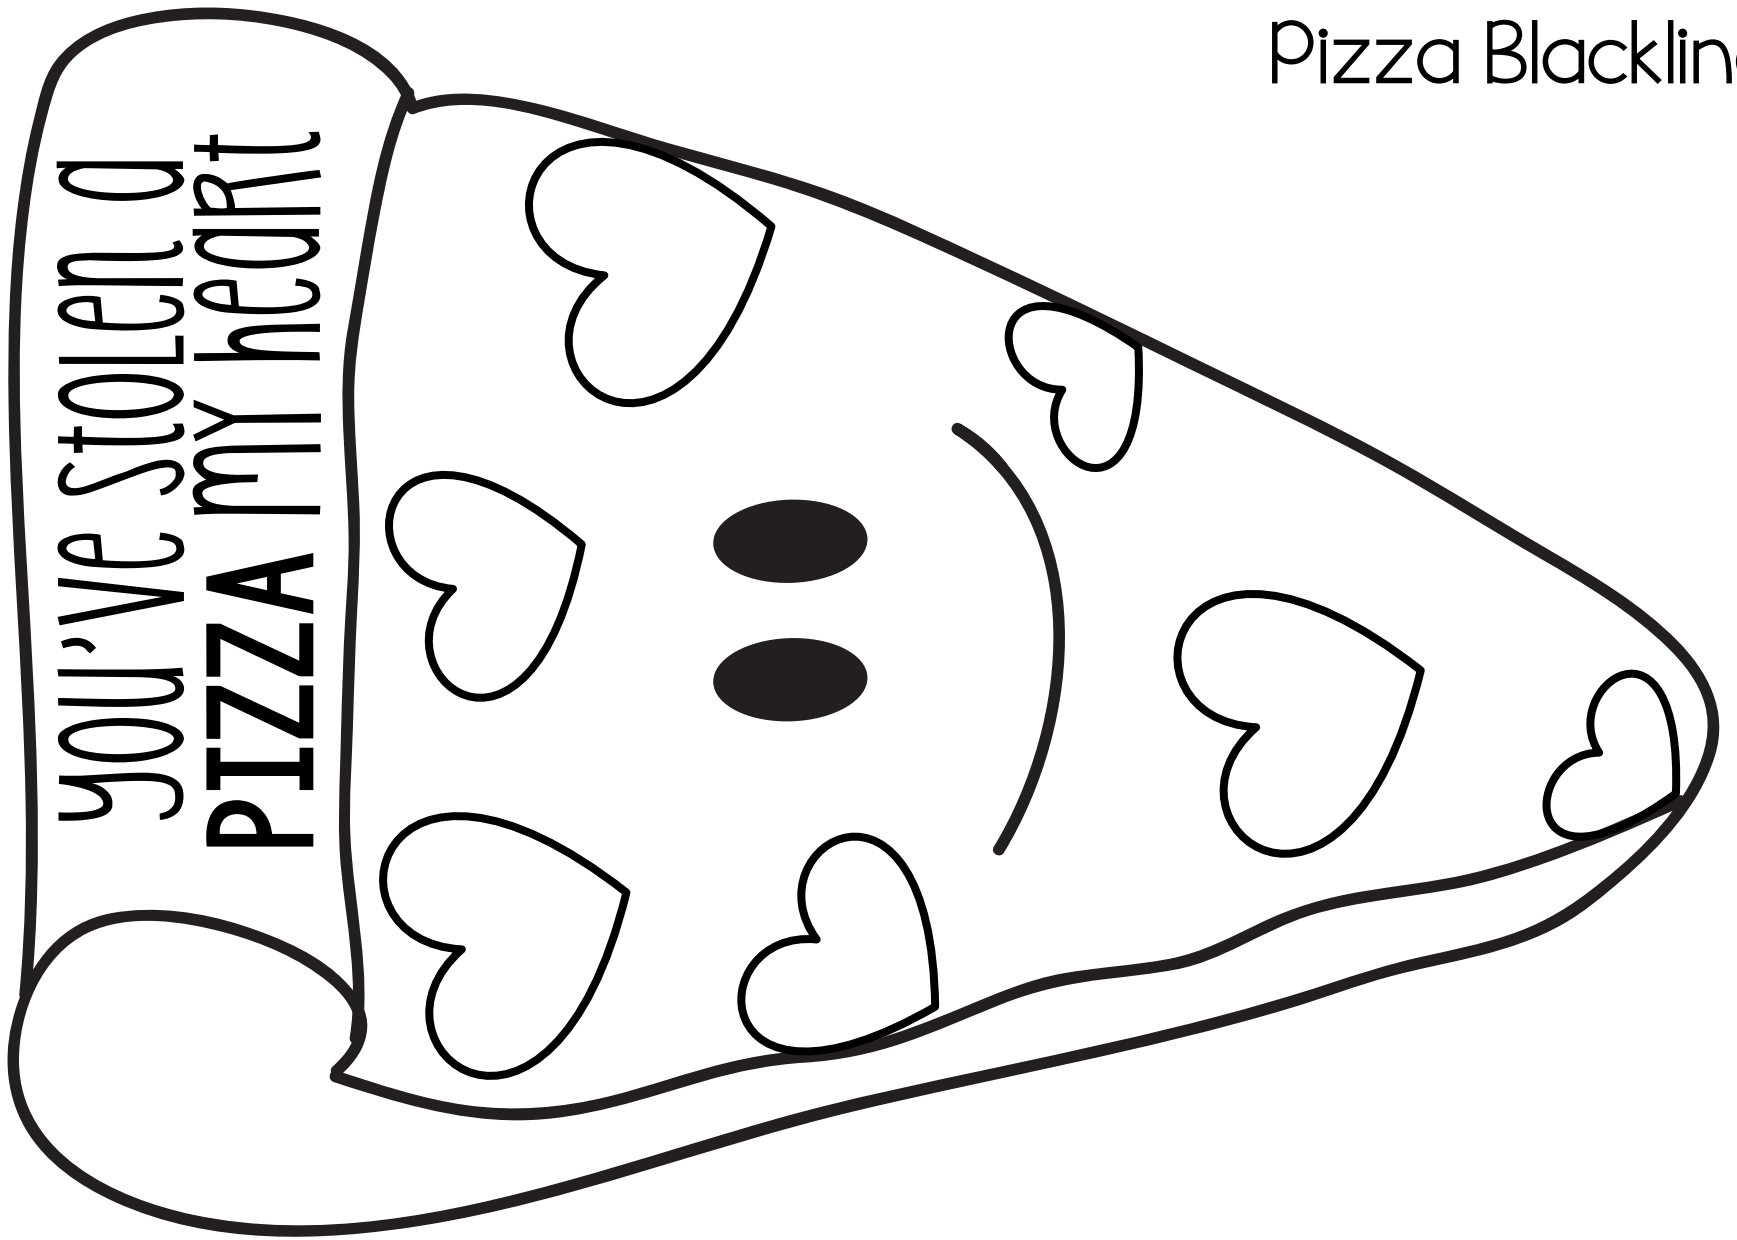

After students complete the craft (option 2 and 3) they can write a letter to someone special telling them why they are special to them, why they love them, etc. Younger students could draw a picture on the unlined page.

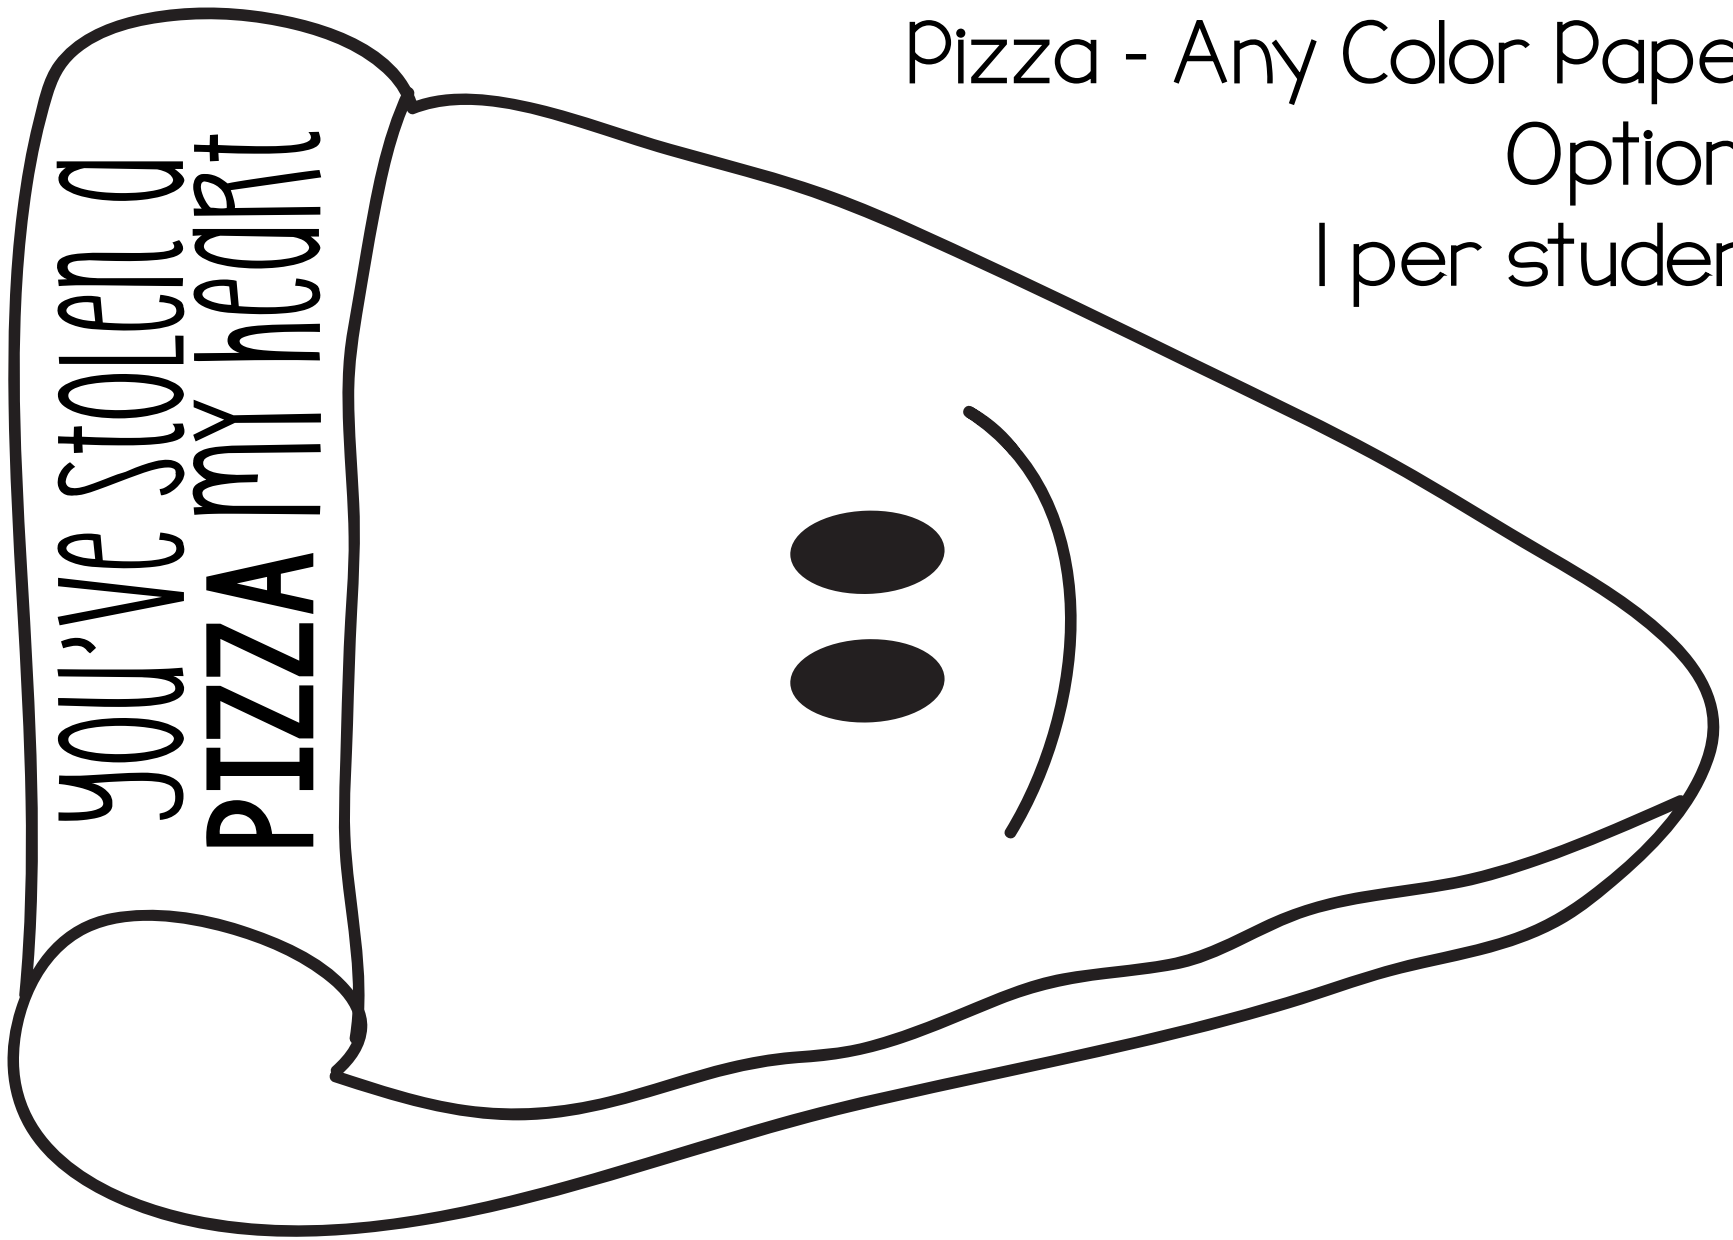

These make an adorable hall way display.
